

# When you choose **Maryland Open MRI**

You know that:

- **Maryland Open MRI** has voluntarily gone through a rigorous review process to be sure it meets nationally-accepted standards.
  - **Maryland Open MRI** has been awarded the American College of Radiology (ACR) accreditation for the achievement of high practice standards after a peer-review evaluation of its practice.
  - **Maryland Open MRI** image quality and procedure evaluations are conducted by board-certified radiologists and medical physicists who are experts in the field.
  - **Maryland Open MRI** personnel are well qualified to perform and interpret your medical images.
  - **Maryland Open MRI** equipment is appropriate for the test or treatment you will receive, and the facility meets or exceeds quality assurance and safety guidelines.
- **Maryland Open MRI** does not expose your patients to magnetic fields that may have genotoxic<sup>1</sup> effects and to sound levels in excess of 130 dBA<sup>2</sup>.

# Frequently Used MRI/MRA CPT® Quick Reference Guide

MRI/MRA	CPT® Code	MRI/MRA	CPT® Code
MRA Head without contrast	70544	MRI Pelvis/ SI Joints without contrast	72195
MRA Neck without contrast	70547	MRI Pelvis/ SI Joints without & with contrast	72197
MRI Abdomen without & with contrast	74183	MRI Spine, Cervical; without contrast	72141
MRI Brain/Brain Stem without contrast	70551	MRI Spine, Cervical; without & with contrast	72156
MRI Brain/ Brain Stem without & with contrast	70553	MRI Spine, Lumbar/Sacrum/Coccyx; without contrast	72148
MRI Chest/Axilla/Sternum without contrast	71550	MRI Spine, Lumbar/Sacrum/Coccyx; without & with contrast	72158
MRI Lower extremity, joint (knee/ankle), without contrast	73721	MRI Spine, Thoracic; without contrast	72146
MRI Lower extremity, joint (knee/ankle), without & with contrast	73723	MRI Spine, Thoracic; without & with contrast	72157
MRI Lower extremity, non-joint (foot/leg), without contrast	73718	MRI Upper extremity, joint (shoulder/wrist), without contrast	73221
MRI Lower extremity, non-joint (foot/leg), without & with contrast	73720	MRI Upper extremity, joint (shoulder/wrist), without & with contrast	73223
MRI Orbit, Face, Neck without contrast	70540	MRI Upper extremity, non-joint (arm/hand), without contrast	73218
MRI Orbit, Face, Neck without & with contrast	70543	MRI Upper extremity, non-joint (arm/hand),without & with contrast	73220

Specialists in workers' compensation and automobile injury cases – we make it easy.

Affordable payment plans for self-pay patients.
